Good news, you're all booked

Dear Yikai Ma,

Your reservation is confirmed. Thank you for choosing Eurostar.com.

What you'll need to do next

To get your tickets, first you'll need to complete your Advance Passenger Information (API). This is required by the UK Government for all passengers leaving or entering the UK.

Check for other travel documents you might need: With UK entry rules changing, you may also need an Electronic Travel Authorisation (ETA) to travel to the UK.

Complete API and get tickets
